

CATALOG

RETURN 4U - Sustainable Solutions is dedicated to the **CUSTOM** production and distribution of reusable eco-friendly bags and shopping bags crafted from Laminated WOVEN and NON-WOVEN PP, PET, Jute, Canvas and Nylon. We are a wholesale supplier of bags and sacks.

We manage the complete manufacturing process, from artwork development to the final delivery at the distribution centre.

Since 2005, we have supplied leading retail chains in Brazil (Cencosud, Walmart, Bretas, Angeloni, and others) with tailored production of shopping bags, cooler/thermal bags, trolley bags, and bottle bags.

Additionally, we offer eco-bags for promotional purposes and as institutional eco-bags for companies across various industries.

Recently, we introduced a wholesale collection of sustainable beach bags.

We have participated in APAS 2009 and APAS 2015 BRAZIL.

COMPANY - * our differential:*

- We are **EXPERTS**: our extensive know-how guarantees optimal efficiency, prompt service, and competitive pricing.
- With over 15 years in the industry, our **CLIENTS** vouch for our esteemed reputation.
- We boast a comprehensive **SHOWROOM** and cater to all of Europe – you can always count on us to fulfil your orders.
- Our worldwide manufacturing facilities undergo regular audits and are certified with **QUALITY CONTROLS** at every production phase (including third-party audits such as Sedex, BSCI, FCCA, SCS, Ethical Sourcing, and Fama).
- We exclusively utilize top-quality fabrics, trimmings, and premium finishes.
- Our products come with a factory **WARRANTY**.

PRODUCT - benefits of our bags:

crafted from woven PP and non-woven PP, and PET with BOPP lamination

100% **RECYCLABLE** products - **LAST** approximately 3 years - **WATERPROOF** and **WASHABLE - LIGHTWEIGHT** (100 gr.) - **HOLD up** to 20 kg - Resistant to deformation, tearing, and are non-toxic (azo-free and low cadmium tested).

Offers the best load capacity-to-cost ratio available on the market, making it a top choice for reusable bags globally. Produced under ISO 9001 certification for quality assurance and ISO 14001 certification for social and environmental accountability.
